

Instructions of handling the product during and after its use and Do's and Don'ts with respect to handling the product;

Do's and Don'ts for disposal of E-Waste;

Do's:

- a. Always look for information on the User manual with your product for end-of-life equipment handling.
- b. Ensure that end of life product as well as used consumables, batteries and other E-Waste are handed over to notified collection centres/dealers displayed in our web site(www.wepindia.com).
- c. Wherever possible or as instructed, separate the packaging material according to responsible waste disposal options and sorting for recycling.
- d. Always disconnect the battery from product while handing over the E-Waste.
- e. Always keep E-Waste separately away from Children.

Don'ts:

- a. Do not dismantle your electronic Products on your own.
- b. Do not throw electronics in bins having "Do not Dispose" sign.
- c. Do not give e-waste to informal and unorganized sectors like Local Scrap Dealer/ Rag Pickers. It is illegal to do so.
- d. Do not dispose your product in garbage bins along with municipal waste that ultimately reaches landfills.
